Commitment statement and role assignment

We commit to implement, and maintain the PEFC and SFI Chain of Custody requirements in accordance with PEFC ST 2002:2013 and Annex 2 for SFI. This statement of commitment shall be made available to our company organization, suppliers, customers and other interested parties.

The Fiber Procurement Manager shall have overall responsibility and authority for this chain of custody.

We will carry out a regular periodic review of our company's chain of custody and its compliance with the requirements of these standards.
