Dear Scott:

Thank you for renewing support from Woodland Pulp LLC to the Forest Society of Maine's (FSM) annual fund. This past year has brought new challenges, but we are heartened that so many businesses, like yours, believe in the synergy that exists between forestland conservation and economic prosperity.

Working with landowners across the state, FSM has already helped conserve more than one million acres of forestland. This landscape is part of what makes Maine special, covered in dense forests, trout-filled streams and stunning mountaintops, miles of snowmobile and hiking trails, and diverse wildlife habitat. These attributes lead to a certain way of life that includes jobs in forest products, tourism, guiding and outdoor retail, and more.

We are so pleased to have Woodland Pulp LLC among the businesses that support FSM's ongoing efforts to conserve Maine's forests for all the benefits they provide. Thank you for your generosity.

Warmest regards,

Karin R. Tilberg
President/CEO

This is wonderful and we are very grateful for this show of support from Woodland Pulp. Please let me know if you would like a briefing and I hope all is well at Woodland Pulp!
