

Mr. Scott Beal
Good morning Scott,

This is Catherine, I am a board member of the Forest Society of Maine. I have the honor of reaching out to you today to thank you for all you have done for FSM. This is not a solicitation - simply a genuine thank you for your past giving.

As you are aware FSM has ensured that forever over 1 million acres will remain as they are; working forests, preserves, recreational opportunities etc. None of this would have been possible without your help.

The future looks great for FSM, its mission, and our future projects.

I hope that you have a wonderful holiday season.

Sincerely,

Catherine
