

**Maine Forest Products Council**

**2023**

**Outstanding Manufacturing Award**

**Presented to**

**Woodland Pulp**

In recognition of Woodland Pulps' commitment to manufacturing excellence, to the education and outreach provided to Maine policy makers and to the ongoing commitment they have made to the communities in which they operate.

*Susan Collins*

September 18, 2023

Dear Friends,

Congratulations on receiving the Maine Forest Products Council's Outstanding Manufacturing Award.

Woodland Pulp's thoughtful approach to sustainable forestry and its commitment to manufacturing excellence is second to none. You have skillfully adapted to changing industry needs and standards and made important investments in state-of-the-art technology capable of producing high-quality products while reducing emissions and minimizing environmental impact. I am honored to thank you for your continued support for the forest products industry and the communities of which you are a part.

Again, congratulations, and best wishes for your continued success.

Sincerely,

A handwritten signature in blue ink that reads "Susan Collins".

Baileyville, ME 04694

Dear Friends,

Congratulations on being selected by the Maine Forest Products Council to receive the Outstanding Manufacturing Award. This honor is a testament to the success of Woodland Pulp's mission to produce superior quality pulp with the lowest possible amount of environmental impact. Since its beginnings almost 120 years ago, Woodland Pulp has become a staple of Washington County's economy and brings good-paying jobs to Downeast Mainers while preserving their natural environment.

Your dedication to responsible forestry and pollution mitigation has allowed Woodland Pulp to prosper while maintaining the health of its employees and the integrity of local ecosystems. The practices of your company should serve as a model for other pulp mills in Maine and around the country.

With the commitment Woodland Pulp has shown to its community and local environment, I do not doubt that you will continue to produce excellent products and remain an important part of our forest economy.

Best of luck, and again, congratulations!

Sincerely,

A handwritten signature in blue ink that reads "Jared Golden".
