

# Quality Policy

Woodland Pulp LLC's strategic direction is to be globally competitive, providing high quality pulp to the marketplace. We will continue to build relationships with our customers through the understanding of their needs, ensuring that we meet their requirements, expectations, and long-term success. We will utilize the Quality Management Process to provide continual improvement in environmental stewardship, and sustainability through evaluation of our processes and collaboration with our supply chain partners.

We recognize that our long-term success as a business is founded on the need for all our employees to support this policy in a responsible manner.

This policy is made available to employees, contractors, customers, and the public on demand.
